

Trafford Teaching Schools Collaborative OTP/ITP Offer

The OLEVI Teaching and Learning Programmes are now well established and highly valued CPD opportunities. The local Teaching Schools, all of which are experienced, licensed providers of OTP and ITP, are collaborating to offer a uniquely diverse and rich experience.

Each Programme will be delivered at several venues, providing a broader and deeper perspective for participants. The same facilitators will deliver each programme to provide a stable learning platform for the group.

Four Trafford Teaching Schools will offer and advertise all the programmes outlined below through their accustomed channels. Applicants can book a place with any school, who will provide their usual administrative support. Prior to each programme commencing, participants will be provided with all the necessary details collectively.
